## **EMF & RF GOVERNMENT AND MILITARY TECHNOLOGY**

### **SOLINNOV - SOPHISTICATED RADIO FREQUENCY TECHNOLOGY DESIGNERS FOR GOVERNMENT AND MILITARY SOURCES**

#### **GOVERNMENT AND POLICE TARGETING OF AN INDIVIDUAL 15 - 50 YEARS OF AGE - UNUSUAL DISTURBANCES IN THE HOME - VICTIM / FAMILY MEMBERS / VICTIMS FAMILY PET (DOG) RUBY - REFER TO TIMELINE - REFER TO FILE 14. GOV - EMF & RF TECH**

Suspicious activity of altered states of mind has been recognised and recorded during the act of targeting and presents itself in the form of the use of highly developed classified technology to conduct human experimentation on the human mind, in the form of satellite and radio frequencies being used to affect and interfere with the electrical impulses of the human brain and being conducted by the Government targeting the victim and her family, and also includes Military services.

The highly sophisticated developed and designed technology involving the use of radio frequency and satellite frequency was discovered and revealed during contact with a company, Solinnov, representatives name of contact, Sanka, Ph: 0403 223 900, during the development of JC INNOVATIONS involving the development of software of products and designs involving GPS tracking systems. It was also revealed through contact of a mentor of the Venture Dorm Program with an employee of the Adelaide University division Svelte Studios, involved in the development of technology involving NASA and Artificial Intelligence the application of recording key strokes of mobile phones - Joseph Cassar also revealed the Intellectual Property Theft of a current development of JC INNOVATIONS of a Social Media Security Program currently being developed and under an NDA between JC INNOVATIONS and a software development company and involving predatory behaviour on social media and in the possession of Svelte Studios - University.

Artificial Intelligence - Adelaide University / Vincent Bulone

- Mike Brooks
- Joseph Cassar

Military Involvement : Sexual Targeting 2014 - 2016

- David

The targeted victims within this evidence all suffered from the same symptoms of:

- Nightmares
- Insomnia
- Extreme anxiety
- Graphic imagery while suffering from nightmares and in their sleep of being attacked, raped or introduced to individuals they had not witnessed or encountered before during waking hours / everyday life or television imagery / watching television programs

Neither victim had suffered any forms of these events or conditions medically or personally and there are no medical records or findings of these symptoms ever occurring in their lives before the dates of 2013 - The victim first contesting to the Intellectual Property Theft of a Medical Business Plan and development developed between the years of 2006 - 2012 and in the possession of SA Health, South Australian Government, and the start of awareness of the unusual events and occurrences happening in their lives involving the suspicion of targeting and fraudulent activity.

Medical certificates and records outline the psychological effects and dates of occurrence, the events revealed in the evidence that the victims suffered as a result of the continuous

**targeting, victimisation and the suspected use of this technology involving interference in the electrical impulses of the brain, involving Government Human Experimentation, which resulted in permanent psychological damage to the victims lives.**

**Permanent damage resulted in :**

- **Anxiety conditions**
- **Insomnia - fear of sleeping due to continuous nightmares and graphic imagery of rape, abduction, physical attack, devious / psychologically disturbing sexual acts in nature**
- **Fear of relationships**
- **Fear of interaction and contact with people**
- **Fear of intimacy**
- **Constant stress related conditions**
- **Isolation - segregation from family, children and friends**
- **Constant vigilant high alert - awareness of unusual activity, fraudulent activity and suspicion of targeting of criminal illegal activity of some form between the years of 2015 - 2017 - which occurred again between 2018 - 2020 - Full knowledge and recognition of targeting involving the Australian government and the extensy of the targeting become apparent and known to the victim in 2019 - 2020**

**Refer to File Stage 1B Pattern of Targeting / File C Austin Macauley Publishers / File 14. Gov-EMF + RF Tech (Solinnov)**

Dean informed the targeted victim that the Port Pirie Police had stopped him in town and questioned him. Dean stated that he had a son who he cared for for 15 years but now lives with his mother who was hooked on ice for years but is now clean. Dean stated that he moved from Queensland to Port Pirie because of the corruption in Queensland and wanted a quiet location to reside in. - [Queensland continuous and multiple involvement in Organised targeted crime](#)

7 Meadow Crescent, Port Pirie - 2014 - 2016

Targeted victim noticed a stranger unknown (male) walking meadow Crescent, Port Pirie regularly on occasions-Appearance : tall with olive skin, light blond brown hair (short on top, shoulder length at back), black tattoo in a band pattern that went around the top of his right arm, blue jeans, black thongs, blue singlet ( looked like a bonds brand singlet), quite attractive (good looking), wore a black beanie on the second occasion the targeted victim sighted him while the male walked directly towards her place of residence carrying an infant on his right side up against his chest / Infants appearance; only months old 8 - 12 months old approx, male in appearance (characteristics) , light brown hair

Male came from the direction of the curb of Meadow Crescent walking in the middle of the road Male was at the entrance of meadow Crescent coming from the first left of Balmoral Road (servo which Tammy Foster worked as a manager prior to it being renovated into On the run services station)

Point of Interest: Numerous reports Sexual targeting file 2014 - 2016 targeted victim documenting reports of male targeters informing her their partners (women) were addicted to drugs and had children who the men cared for

Suspect: the men had targeted the female victims, introduced them to drugs regularly until they became addicts then introduced them to Prostitution before targeting their children for Paedophilia Prostitution - Also includes Human trafficking of children for Paedophilia

Unusual influx of strangers / visitors in the township of Port Pirie

Multiple young boys on multiple occasions walking along the Port Pirie foreshore with older men towards the Port Pirie foreshore caravan park and returning hour - hours later

Unusual multiple visitations of the Port Pirie Police Department to the John Pirie Highschool during the attendance of the targeted victims youngest son (Corey0, which decreased when he stopped going to school due to developing insomnia suddenly (suffering nightmares) and anxiety.

Strangers (unknown) men approaching the targeted victim continuously in various locations within the township and local shopping areas.

Unknown vehicles following the targeted victim continuously within the Port Pirie township and region..

Paul Gardner knowing the make and model of the targeted victims vehicle upon meeting her and sighting her vehicle in the carpark as he walked her out of the shopping mall to her car.

Port Pirie Court House - The targeted victim was approached by a male who stated "A 60 year old can not let it go" " If you don't drop it you'll end up in a hole at the Port Wakefield abattoirs (meat processing plant) with the rest of the bodies " - Death threats / this male was unknown to the targeted victim

The targeted victim was approached by numerous unknown males at the Central Hotel, Port Pirie who asked her to accompany them to the Port Pirie Foreshore caravan park. The targeted victim stated "No" every time when asked and found the requests unusual and strange - Documenting information / conducting her own investigation due to the continual refused investigations by government system and authorities (victim becoming aware)

Security footage within hotels / pubs of Port Pirie continuously denied when requested by the targeted victim on events occurring within their establishments - Port Pirie businesses involvement and knowledge of Organised targeted crime in Port Pirie

Friend / David Frost - Email contact - Linkedin website - Inviting me to join his page - David Frost informed the targeted victim that he does not have a Linkedin page and is not registered with that website

27th May 2016 - Port Pirie Court House - Targeted victim was approached by a grandfather of a teenage girl who had been arrested by Officer Scott Kelly, Port Pirie Police Department . The grandfather stated that his granddaughter had been brutally physically assaulted and sexually fondled by Officer Scott Kelly, which resulted in the teenagers face being slashed open. The grandfather informed me that Lawyer Lachlan McAuliffe was the representing lawyer for his granddaughter that this assault had happened to during the arrest.

Unusual influx of names on vehicle number plates in the region of Port Pirie - Paul Gardner informed me that he buys number plates and phone numbers - Refer to Sexual Targeting file Extreme Sexual Targeting / Paul Gardner / Number plate given to targeted victim by Paul Gardner

Phone contact 2015 - Early hours of the morning - caller name "Phil", stated that he was "looking for environment " - the caller was unknown to the targeted victim and phone number was a private number (not revealed for public use)

Portside Tavern, Port Pirie - 2015 Local residence of Port Pirie, employed at Coles Supermarket (Wayne), known to targeted victim , at the end of the night offered to walk the targeted victim known by her home for her safety as they stood together at the bar. Wayne was then approached by 2 men dressed in black t-shirts, one had blondish short spiked hair (unknown to targeted victim or Wayne) and stated "Don't go near her as she is nothing but trouble, a real bitch" Both parties found the comment to be strange and unusual. Wayne walked the targeted victim home for her safety.

Portside Tavern 2015 - An unknown male approached the targeted victim standing near the bar area behind people and within a crowd - The unknown male stated that he was from [Queensland](#) The targeted victim stated "Paul hey" (meaning Paul Gardner, victim becoming aware) The unknown male stated " Your not stupid are you " The targeted victim walked away and left the establishment.

#### **Continual Queensland involvement in targeting**

Commonwealth Bank ATM, Port Pirie - The targeted victim was approached by a male who introduced himself and tried to start small talk conversation with the targeted victim. The unknown male stated that he came from new Zealand. The targeted victim politely excused herself and walked away.

19th February 2020 - Targeted victim sleeping in parents home, Kadina SA [Vivid dream / Refer to Gov EMF + RF technology report](#) - 3 men held the targeted victim down on a floor, one had short black hair and a moustache, appeared to be police officers, Targeted victim started to scream for them to stop and that she had her period (targeted victim did have her period at the time of this vivid dream) - one of the men pulled out the tampon and all 3 men then continued to rape the targeted victim viciously. The male with short black hair and moustache then threatened the targeted victim by putting his hands around her throat - The targeted victim fought back with a bottle

15th April 2020 - Sleeping in parents home - [Vivid Dreams](#)

Unusual dream regarding the kidnapping of the targeted victims children  
Being in a relationship with a lower class male of an uneducated position in a run down house  
2 dreams consecutively - Government and Police Technology / Illegal use of Technology / Targeting the targeted victim in her parents home with EMF + RF technology to directly disturb the electronic impulses of the mind (brain) causing sleep disturbances as recorded by herself and her youngest son Corey in 2013 - 2021

## File 6.3 2014-2016 Sexual Targeting - Social Media and Online Dating Sites - Personal Contact

2015 RSPCA - Targeted victim reported Suspected Human rape of her family pet dog "Ruby" involving :

- Visible genital mutilation - possible internal abrasions and external mutilation
- Nightmares - dog screaming in its sleep
- Possible hip displacement - severe pain on movement
- Temperament changes dog - timid to be touched in rear section of the dogs body

Suspected rape of family pet occurred following threats by Zac (2015 Sexual Targeting involving vicious harassment and threatening behaviour, Police Administration, police source) threatening the targeted victim that he would come to her place of residence and "Rape you, your children and the family dog and take you all out into the back yard and shoot you"

Following the suspected rape of the family pet the targeted victim was informed by Paul Gardner (sexual targeting 2014-2015 - "Midgets and animal sex hey")

1 week following this comment by Paul Gardner the targeted victim sighted a male midget who walked into the Central Hotel, Port Pirie near where she stood and smiled smugly at her

2021 Ruby - Family pet / dog - Euthanized as a result of hip collapse and extreme continual pain on movement as a result of suspected Hip displacement caused by rape of an animal by a human occurring in the family home of the targeted victim in 2015

RSPCA did not investigate report made by the targeted victim in 2015 . Informed the targeted victim that Ruby would require a specialised examination at a Vet University who had the correct equipment to not cause any more internal damage - Informed of the same information in Port Pirie Vet Clinic, Maxine who informed the targeted victim to obtain the phone number of RSPCA from
